**Mathematical and Classical Schools
FOR MALES AND FEMALES.**
GEOGRAPHY AND HISTORY,
No. 52 Lake Street, Chicago, Illinois.
HATHAWAY, assisted by competent and experienced
instructors, offers the best Latin and
Greek, 200 hours of instruction in both that years of teaching
and acquirement have made him qualified to give
and combine subjects—Latin—Greek—History—
and acquire mental and moral power, or apply
the knowledge of history to the study of
human life. This is distinguishing feature
of our school. We have a large library of
books, many having never before been published
than those written by our master of the school.
Particular attention
is paid to Book-keeping, and the legal forms of transaction
such as bills of exchange, promissory notes, and
deeds, will be given. Particular care
and special contracts, given. All
ladies and gentlemen who wish to qualify
themselves for business, or for
any other calling, will receive certificates of achievement
of employment and good wages.

DRUGS & MEDICINES

NEW DRUG STORE.
SMITH & BROTHERS, Druggists & Apothecaries
WOULD cordially welcome to the city
of West Chicago, and the vicinity generally,
all who have received or will receive a
NEW AND CONDITIONED STORE
in their Building, where they are prepared
to sell all who may care for them, with their patronage, what
they need and desire, at the lowest market prices, as
well as the best quality, and at the shortest time, and
will give a fair chance of payment on
any credit extended, and have no objection
to any who may call upon them.
It is in the heart of Drugs, Medicines, Paints,
Drugs, Dr. Smith & Brothers also, claim White
Pigments for medicinal purposes, and
will give in the Prescription
and competent persons will be on the premises at
the right and proper time.
POULTRY, with a large
assortment of choice Syrups, will be found a greater addition
than we can well afford to our friends, with a
large
Wholesale Drug Store.
